++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing overnight, clear spells developing.

This Evening and Tonight:
Showers largely fading overnight, with clear spells developing for most although winds only gradually easing. A few isolated showers could spread into western parts after midnight. Feeling rather cool. Minimum temperature 8 deg C (46 deg F).

Monday:
Further scattered showers, heavy and blustery at times, spreading to all parts through the morning. Isolated hail and thunder also possible. A little less windy, however. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Windy with long spells of heavy rain on Tuesday. Early rain clearing eastwards on Wednesday then dry with clear or sunny spells at times. Winds easing. Cloudy but dry Thursday.
